

# Winnie returns to Tilshead

**Meeting 7.00 p.m.**

**Tuesday 27<sup>th</sup> February**

**Village Hall**

The Meeting is open to all villagers who would be interested in forming a group to help commemorate the centennial of the ending of World War 1. The idea at the moment is to raise funds to pay for and install **a plaque** on the wall of the Village Hall, telling the story of how the World's most famous bear "Winnie the Pooh" was inspired by a black female bear cub who once stayed for several months here at Tilshead in 1914. The photo above shows the real "Winnie" with her owner at West Down South Camp Tilshead. If you are interested in joining the group but cannot attend on Tuesday please contact me.
