

## **Wiltshire Home Library Service**

Do you love reading but have found yourself struggling to get to the library? This may be because of a disability, ill health, mobility issues or due to caring responsibilities at home.

The Home Library Service may be able to help if you have no one to visit the library for you and the service is free.

We can deliver books, large print and audiobooks on a regular basis directly to your home.

We are also recruiting Home Library Service volunteers to help deliver the service. If you have time to spare, like books and reading and enjoy meeting people we have opportunities for those wishing to take up this rewarding volunteering role.

For more information about using the service or about volunteering contact :-
